

Jim Brinkley Scholarship Fund

Jim Brinkley is a civic and philanthropic leader and true champion of community change and impact. Business Volunteers created the Jim Brinkley GIVE Scholarship Fund in recognition of his contributions and leadership in the creation of Business Volunteers 13 years ago.

The Fund ensures that talented young professionals who cannot afford the fees of the GIVE Program will be given an opportunity to participate in this program and fulfill their potential to become the next generation of civic community leaders. We believe it is this group of future leaders who are critical to our ability to address the opportunities and challenges facing our community.

GIVE is a 9-month civic leadership development program that provides participants with enhanced civic knowledge and awareness, increased leadership skills, new networks and volunteer opportunities that transform each individual and prepare them to take on volunteer leadership positions that will help to improve the quality of life in our community.

To Apply for the Scholarship:

1. Complete the GIVE application.
2. Submit a scholarship application letter by November 4th identifying the following items:
 - a. Why do you want to participate in the GIVE Program?
 - b. How will your participation impact your professional growth?
 - c. Statement of financial need.
3. You can attach your application letter at the end of GIVE online application. You can also email or mail your scholarship application letter to:

Attn: Alissa Ganser
Business Volunteers Maryland
1201 S. Sharp St., Ste. 302
Baltimore, Maryland 21230

Email: aganser@businessvolunteersmd.org

Scholarship application letter is due when GIVE applications are due. Scholarship application letters will be reviewed by a selection committee. All applicants will be notified concerning their status by the end of the year.
